ACCESS TO THE COURTS

When you book a court you will see that the court description includes a code in brackets after the court name. This is the code for the combination lock, e.g. Upper Court (code2000). The codes will be changed from time to time.

Please remember to lock the gate with the combination lock and change the numbers when you leave the court.

WET WEATHER NOTICE

If you use the courts after wet weather, please bring a clean pair of shoes to use on the court. This is to prevent mud being walked onto the courts, which may reduce the risk of injury to yourself and other court users. Thank you for your consideration.

If you have booked a court and are then unable to play due to adverse weather conditions, you will need to cancel the court booking prior to use and you will then be given credits on **Clubmatch** which you can use against a subsequent booking.
